

WANT TO GET MORE INVOLVED IN INTERFAITH ACTIVITIES?

We can all do things as individuals to build good relations between our different faiths and beliefs, from simply listening respectfully to what others believe and practice, to organising events that bring people together.

Swindon Interfaith group has organised events such as tree planting, film nights, community clean-ups, walks, talks, football match, discussions, musical evenings, visits, etc., as well as supporting faith groups in some of their own events. We welcome new faces, new ideas, and invite you to consider some of the following.

Come to our events (details on website, Facebook, etc.)

Apply to join our committee (we are especially under-represented by young persons and by female gender) If you have any questions or for further information about Swindon Interfaith Group, including Interfaith Week, please contact us.

WHY HAVE AN INTERFAITH WEEK?

The Week has three aims:

- Strengthen good interfaith relations at all levels.
- Increase awareness of the different and distinct faith communities in the UK, in particular celebrating and building on the contribution which their members make to their neighbourhoods and to wider society.
- Increase understanding between people of religious and non-religious beliefs.
